AP2010-03 This administrative policy filing is being submitted to add a new subject titled "Independent Laboratory Services" to Medicaid's Hospital Inpatient policy found in Provider Policy Manual Section 25.0. This new section states independent laboratories may not bill Mississippi Medicaid for lab procedures performed for beneficiaries during a hospital inpatient stay. The per diem rate that the hospital receives is considered to cover all services provided during the inpatient stay. Independent lab reimbursement must be obtained from the hospital. Section 37.06 is a cross reference page to Section 25.37.
